

CALL FOR PROPOSALS

The ARIES Proof-of-Concept fund offers support to early-stage research to develop or study the commercial feasibility of novel concepts within accelerator science. Projects should aim to:

- Develop an idea
- Improve intellectual property position
- Gain market information on new product/concept

Who can apply?

Lead applicants must be part of the ARIES Consortium (beneficiaries or partner organisations).

Additional participants are not required to be connected to ARIES.

Timeline

Call opens: December 1st 2017

Deadline: 31st March 2018
