

PUBLICATIONS GUIDELINES

OPEN ACCESS

H2020 Grant Agreement, Article 29.2 – [Open access](#) to scientific publications

Each beneficiary must ensure open access (free of charge, online access for any user) **to all peer-reviewed scientific publications** relating to its results.

In particular, it must as soon as possible and at the latest on publication, deposit a machine-readable electronic copy of the **published version or final peer-reviewed manuscript** accepted for publication in a repository for scientific publications.

| Category | Gold open access | Green open access |
|--------------------------------------|---|--|
| Specification | <i>open access publishing</i> | <i>self-archiving</i> |
| Definition | Article published in open access mode (publishing costs borne by the authors, universities or institutes etc.) | Published article or the final peer-reviewed manuscript is deposited in an online repository |
| Examples of journals or repositories | Physical Review Letters : (gold open access) Physical Review Accelerators and Beams : which is a peer-reviewed, purely electronic journal, distributed without charge to readers and funded by sponsors from national and international laboratories and other partners. | CDS ArXiv.org inSpireHEP.net JACoW |
